me: k, here's article you or whoever would probably find most useful in terms of "framing" through my written work: http://barrettbrown.blogspot.com/2012/08/the-facts-on-cubic-and-trapwire-abraxas.html
me: here's article on Trapwire and me from today
me: http://dailycaller.com/2012/08/15/pr-effort-launched-to-cover-tracks-about-trapwire-domestic-surveillance-system/
Christine: nice
Christine: this shit is crazy
Christine: today's your birthday?
me: yesterday
Christine: happy birthday, yo
me: thanks
me: also
me: my coverage today on NBC http://www.technolog.msnbc.msn.com/technology/technolog/trapwire-surveillance-really-spying-americans-939948
Christine: excellent
